Mr. and Mrs. Chas. Wood and sons and Mr. and Mrs. J. C. Probst were Sunday guests of Mr. and Mrs. Loren Fisher near Ithaca.

A FAIR WARNING

One That Should be Heeded by Alma Residents.

Frequently the first sign of kidney trouble is a slight ache or pain in the loins. Neglect of this warning makes the way easy for more serious troubles—dropsy, gravel, Bright's disease. 'Tis well to pay attention to the first sign. Weak kidneys generally grow weaker and delay is often dangerous. Residents of this locality place reliance in Doan's Kidney Pills. This tested remedy has been used in kidney trouble over 50 years—is recommended all over the civilized world. Read the following:

Bert Hagerman, farmer and painter, R. F. D. No. 2, Elwell, Mich., says: "I seemed to have all the symptoms of kidney trouble. I think that handling turpentine was what caused it. The kidney secretions were unnatural and irregular in passage. I suffered from severe attacks of backache and I had sharp pains in the small of my back. Finally I used Doan's Kidney Pills and they cured me."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hagerman had. Fister-Milburn Co., Props., Buffalo, N. Y.

Catarrh Cannot Be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Cure is what produces such wonderful results in catarrhal conditions. Send for testimonials, free. P. J. CHENEY & CO., Props., Toledo, O. Two Days' Races

The Alma Driving Club will give a two days' race meeting at their grounds at Alma,

Thursday and Friday
October 14th and 15th.

A large string of horses is promised from different parts of the State. Many horses that are racing in Saginaw this week will be here. This will be about the last Race meeting in the State this year. Take a day off and come and see some good sport.

4 New Refinements

Arrow points to new and improved windshield. Upper half overlaps lower half. Absolutely wind-tight.

Instrument board, showing gasoline gauge, electric dashlight, speedometer, electric clocking and lighting plugs and ammeter.

Wider and longer seats and deeper cushions, as indicated by arrow.

Arrow shows old and new spring construction. New springs much longer and more flexible.

MAXWELL Motor Cars are now equipped with a new and improved windshield, still longer and more flexible springs, wider seats, deeper and softer cushions, dashlight, gasoline gauge, and other equally important refinements.

To the generous value heretofore present in the Maxwell product, these extra improvements have now been added.

This is in line with the Maxwell policy—not to change the Maxwell in any essential detail, but to continue improving it so that it will always be a standard, recognized product, constantly abreast of the best practices of the industry.

Notwithstanding the superlative and sometimes confusing claims that are made in behalf of various automobiles, we restate our sincere conviction that **Maxwell Motor Cars offer more real value**

per dollar than any other car in the world.

This too, is the belief of the thousands and thousands of Maxwell owners. And these beliefs are supported by actual and tangible facts. We actually know that within the entire history of the automobile business, no motor car—in any class or at any price—has equalled the Maxwell in honest dollar-for-dollar value.

And if you will examine a Maxwell, ride in it, compare it with other cars, consider its splendid record, reputation and past performances, you too, will know it.

Call or phone for a demonstration.
